2. Consideration of approval of the Minutes from the September 28, 2023 Special Call Meeting

Chairman Burke asked Kevin Moore, Code Enforcement officer present, the process of how properties owned by the City due to liens filed against them go out for bid. Moore explained that process and Secretary Nichols noted that the properties that SURA deeded to the non-profit agency at the September 28th meeting were deeded directly to us and would not go through the lien process with the County like the other properties the City has liens on.

A motion to approve the minutes from the September 28, 2023 special call meeting was made by

Commissioner Valentine, seconded by Chairman Burke. Motion carried with no abstentions.

Secretary Nichols reminded the board that the names and addresses of the rehab properties were redacted for privacy purposes. Commissioner Valentine asked what the budget was for this year's grant, Secretary Nichols reported that our grant for 2023 was \$346,903.00 and that she would send out a copy of the budget to the Commissioners.

5. Update on Projects

Secretary and Program Manager Nichols reported that we now have an additional contractor bidding on our rehab jobs, which is helping to speed up the process some. Commissioner Davidson asked about the projects on the list and the guidelines for approval, Nichols reported that they were applicants to the program who had been vetted and qualified for the program and the qualification requirements according to SURA policy and HUD guidelines. Chairman Burke asked about the process to obtain an application and Nichols explained that anyone in the City limits could come in and apply and that the applicants would then be vetted based on the information provided. Kevin Moore noted that construction costs have been considerably higher on projects lately. Nichols explained that we have funds remaining from prior fiscal years that we are trying to spend on home rehab projects.

RE: Request for donation of the following lots:

1. 1227 E. Margaret St. Shawnee, OK
2. 546 N. Kickapoo Ave. Shawnee, OK

Dear Shawnee Redevelopment Authority,

Rose Rock Habitat for Humanity, Inc., a registered 501(c)(3), formally requests the donation of the two lots cited above (RE: 1 & 2). 1227 E. Margaret for refurbishment and 548 N. Kickapoo for new home construction. Both locations would afford Rose Rock Habitat the opportunity to provide affordable home options for two low to low moderate-income families living in Pottawatomie County. We follow HUD guidelines in establishing family income limits.

Rose Rock Habitat for Humanity is firmly committed to being a long-term community partner providing solutions addressing the need for affordable housing in Shawnee and surrounding areas. We have 30-year history of providing affordable housing solutions in the communities we serve and look forward to partnering with you, and organizations like yours, to address the growing need.

The donation of these properties would greatly enhance our ability to begin providing affordable housing solutions much quicker than we would otherwise be able too. Often land acquisition is one of the most challenging and costly pieces of the puzzle. We have a crew already poised and prepared to begin work on 127 E. Margaret upon approval of our request and expect to begin other new home builds within the year.

Sincerely,

Randall E. Gardner
President & CEO
