Regarding Consent Agenda Item No. 1(b), Trustee Shaw asked why the original maintenance bond reflected an amount different from the staff memorandum. Staff explained the maintenance bond included the original project amount. In each contract, an extension clause is included that allows staff to extend quantities if both parties agree to the amount of the bid. Staff recommends the

acceptance of the project contingent upon the City receiving a corrected maintenance bond for the adjusted amount.

A motion was made by Trustee Shaw, seconded by Trustee Bushong, to accept the Sanitary Sewer Rehab Project (Various Locations), Contract No. MA-17-01, and placing the Maintenance Bond into effect; contingent upon the City receiving a corrected maintenance bond for the adjusted amount. Motion carried 6-0.
